In 2014, ROBLOX took the block system offline due to an exploit that allowed users to convert infinite amounts of blocks into real currency. They eventually brought it back online after fixing the exploit.

On December 30th, 2011, Roblox sent a DMCA notice to Awaited Studios to take down "Infinity: The Quest to the End of the Universe" after noticing that they were releasing code from ROBLOX in their game. Since then, the company has kept all of its released code in a separate source file called "robux".

ROBLOX has its own program called Easy School. Easy School is an educational system that can be used to learn and teach almost any subject, ranging from math to geography. There are also tutorials for programming languages like Unity3D using C# or Java. The tutorials can be watched in the ROBLOX Workshop Edition or in-game, while teaching other tutorials are available on their website.

If you have decided to use one of the Free Robux promo codes for ROBLOX, then you should always remember that you will only be able to use them once. You should also not come off of the website and think that there is nothing else to do or check out since there are lots of different things available on this site. There are also very limited resources which can be used for other people after using them inside your game account in ROBLOX. You should always remember to be very careful with your account information and never share it with anyone else. This is also the best way to protect yourself from those people who might want to hack or delete your account. If you use this method, then you can easily stay safe and continue enjoying all of the fun games that are available inside Roblox.

The company has a 4-star rating on Glassdoor with an overall rating of 2.5 and 13 reviews. This is the highest rated tech company based in the United States that employs over 1000 people. The reviews on Glassdoor were posted between 2014 and 2016 and highlight some of Roblox's positives such as competitive salary and possible career advancement, but also negative aspects such as mediocre work-life balance, poor management and lack of training in some departments. The overall rating is 2.5 stars, the lowest rating given on the site and 5% of all companies with a rating of 3 or higher.
